Overview

Naviance Student is a mobile-responsive site for students, parents, and guardians that offers tools to personalize and simplify the college, career, and life planning process.

Naviance Student helps students answer the questions that will shape their future:

- Who am I?
- What do I want to be?
- How will I get there?
- How will I succeed?

As a parent or guardian, you have mostly review rights. Depending on your school's permissions, you may be able to edit:

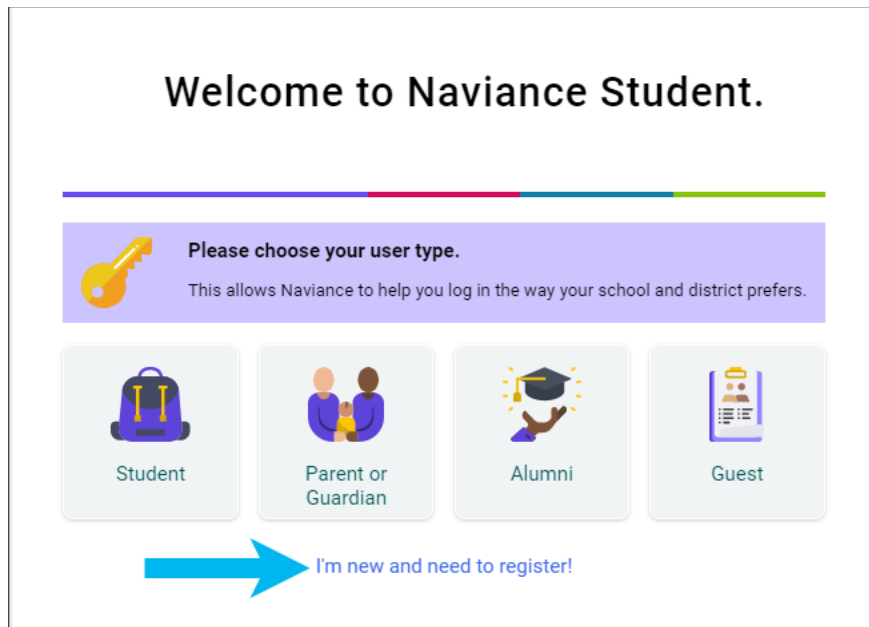

- Personal and demographic information.
- Email address.
- Username and password.
- Your student's College's I'm Thinking About list.

Register and log in

Use the registration code provided by your school to log in to Naviance for the first time. Navigate to the school's Naviance Student page with the following URL:

Enter your school's Naviance Student URL, typically: student.naviance.com/schoolalias

1. Navigate to your school's Naviance Student web page.
2. From the login page, select **I'm new and need to register**.

3. Enter your registration code in the Registration Code field and then click **Register**.
4. Enter a **Username**.
5. Enter a **New Password** and then confirm the password.
6. Click **Continue**.
7. From the Naviance Student login page, click **Student** or **Parent or Guardian**.
8. Enter the email or username and password that you just created and then click **Continue** to log in.

Use Naviance Student

Utility menu

- Click the **heart** icon to display your student’s favorite lists.
- Click the **email** icon to display email messages sent to you by your school.
- Click the **question mark** icon to display the Naviance Student Help Center.

Naviance Student sections

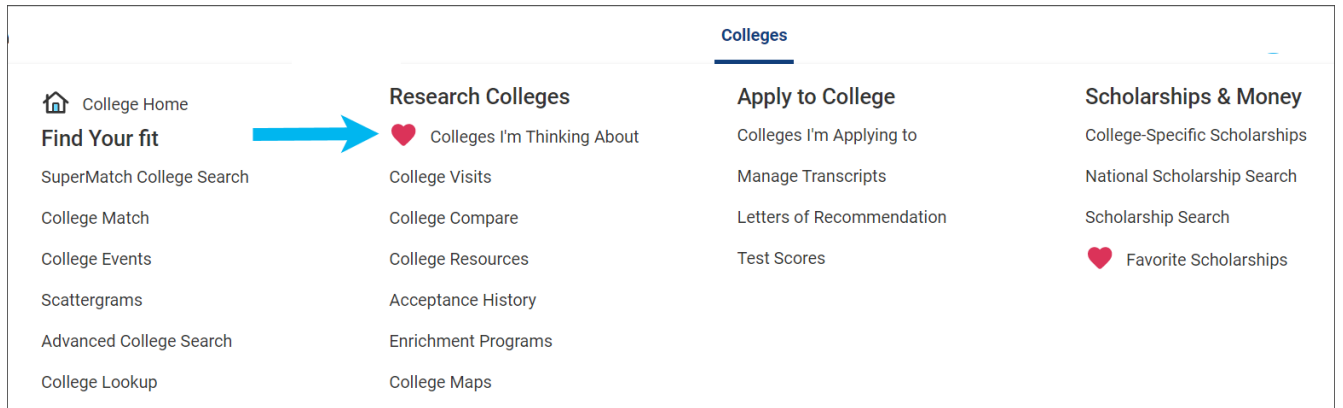

The following sections are available in Naviance Student based on your school's setup.

Section	Description
Home	Review your student's Future Planning, information from your school, upcoming to-dos and tasks, and more.
Self-Discovery	Review your student's assessment results to learn more about them and their potential career interests.
Courses	Review the school's course catalog, course plans your student has created including required credits and other important criteria, and approve course plans, if necessary.
Careers	Explore careers, job opportunities, and work-based learning opportunities. Access the Roadtrip Nation video archive to learn how leaders have turned their passions into their life work, and review a list of your student's favorite careers, clusters, and pathways.
Colleges	Search for and discover college possibilities. Review your student's list of colleges they are thinking about and those to which they are applying.
Planner	Review your student's goals, to-dos, and tasks assigned by the school.
About me	Review your student's resume, portfolio, journal entries, documents shared by the school including the Student Readiness Report, and more.
