

Naviance Test Prep quick guide

Naviance Test Prep incorporates lessons, flashcards, practice questions, and tests to assess your strengths and areas for improvement and to determine your skill profile. These results and the test date create a personalized study plan that guides you through the course.

Access Naviance Test Prep

Select **Planner** and choose **Naviance Test Prep**. A new browser tab or window displays your Test Prep course.

If you have more than one Naviance Test Prep course, select the course from the list in the navigation toolbar.

Get started

When logging in to Naviance Test Prep for the first time, you must choose your test date. According to the test date, Naviance creates a custom Study Plan that guides you through the course and ensures you cover all the material by your test date.

1. Select **Planner** and choose **Naviance Test Prep**.
2. Choose your test or end date from the calendar and click **Update**.
3. Click **Get Started** from the dashboard to launch the lesson. Depending on the course, you may be asked to take a diagnostic test so Test Prep can analyze your strengths and areas for improvement.

The screenshot shows a blue dashboard header. On the left, there is a section titled "How to Use This Course" with a subtext "3 Knowledge Points | Less Than 15 Minutes" and a "Get Started" button. Below this, there are three main sections: "Target Date" showing "04/24/2026", "Today's Knowledge Goal" showing "0/40", and "Study Plan Progress" showing "0%".

Flashcards

Use Flashcards to review key terms and concepts for the test.

Practice Questions

Use Practice Questions to test your knowledge of specific categories and concepts.

- Complete as many or as few questions at a time.
- Review questions after answering them or at the end of a session.
- Reset practice questions to try them again.

Tests

Simulate a real test experience by taking a practice exam. The full-length exams have sections and breaks that mimic the real-life exam.

Allow enough time to complete the entire exam without having to pause it.
